**A Message from NDDS President,
David P. Marion, DDS, FCID**

Thank you for the opportunity to serve the Northern District this past year. It has been a true honor to be your President. I have come to know so many more wonderful, committed dentists in our district and have seen first-hand, just how crucial our involvement is a grass-roots effort.

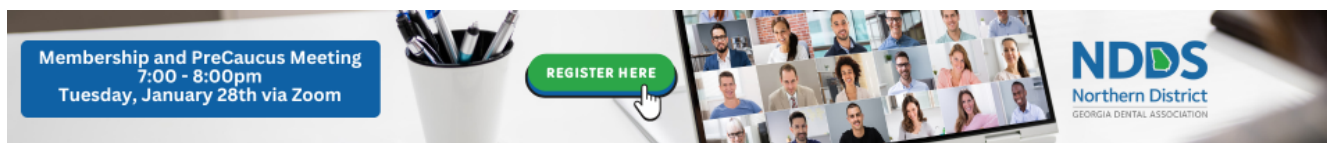

The importance of being involved in organized dentistry at a local level is impossible to stress enough. Please, if you've yet to take the plunge, just jump! You'll be greeted by fellow appreciative compatriots, it won't be overwhelming and the return will be heart-warming. You won't be sorry you got involved.

We are grateful to have Kara Kramer lined up to take the reigns of presidency. She will be a great leader for the District and I look forward to all she has in store.

Happy Holidays and see you in the new year!
